

Colab PhD/MPhil. Fees Scholarship

Closing date: 14 December

Colab is the collaboratory for Design and Creative Technologies at the Auckland University of Technology (AUT), New Zealand. Our aim is to encourage researchers, students and stakeholders to imagine, construct, articulate and navigate rapidly changing social, economic, technological and career environments.

To support innovative interdisciplinary research that reflects Colab's future focused aspirations in such areas as gaming, entrepreneurship, smart materials, wearable tech, making and digital civics Colab will offer fees scholarships for the doctoral programme and domestic equivalent fees Scholarships for the MPhil programme.

AMOUNT AND TYPE OF AWARD

- Up to two scholarships will be awarded.
- The scholarships will consist of full fees. For the MPhil. programme the fees will be domestic equivalent only.

TENURE

- Up to three years for the PhD based on satisfactory progress reviewed annually.
- One year for the MPhil. Programme.

ELIGIBILITY CRITERIA

- The scholarships is open to domestic and international applicants.
- Applicants must meet the entry requirements for the PhD or MPhil programme at AUT.
- The scholarships are available on merit to New Zealand citizens, permanent residents and international students.
- Preference will be given to proposals in areas of interdisciplinary engagement pertinent to Colab's aims and research focus.

APPLICANT REQUIREMENTS

The applicant must apply through the AUT on-line scholarship application portal and upload;

- Copies of transcripts for study completed at any tertiary institution other than at AUT
- A copy of the Research Proposal (PGR1 or PGR2) that will be submitted as a component of the application for admission.

SELECTION PROCESS

- The applications will be reviewed and awarded by the Colab Postgraduate and Research Management team on the basis of the projects potential to enhance Colab's research culture.

- Preference will be given to applicants who are able to commit full time to their research as they are more likely to make a higher contribution to Colab's research culture.
- No scholarships will be awarded if the Management team considers the applications not to be of sufficient merit.
- The scholarship will be awarded as soon as possible after the closing date.

CONDITIONS OF AWARD

- The recipient must accept the Offer of Place before the scholarship is taken up.
 - The recipient may not hold other fees scholarships with this award.
 - Recipients must submit all six monthly reporting for the doctoral programme at AUT during the tenure of the award and move from provisional to full registration within the time frame outlined in the Postgraduate Handbook.
-
